Sub: Rejoinder reply in complaint No. COM-21/CA(154)/2024

Dear Sir,
Point wise rejoinder is as per below:
Point No. 1:

I firmly deny all the allegations in the complaint. As a Fellow Member (Membership No. 39351) engaged in full-time practice, I provide consultancy services to various Cost Accounting firms on a case-by-case basis without formal agreements. I am not an employee of M/s N D Birla & Co., as claimed, and no evidence has been presented to substantiate this accusation. Reply: Mere statement with no supporting facts/documents.

Reply: Mere statement with no supporting facts/documents.

Respondent is under full time employment with N D BIRLA & CO. and also as claimed by M/s N D BIRLA & CO under oath he has conducted cost audit of Northern Coalfields as a part of team assisting the firm M/s N D BIRLA & CO.

The respondent is under full time employment with N D BIRLA & CO as claimed under oath by M/s N D BIRLA & CO.

Also the respondent himself has given his certificate of membership to M/s N D BIRLA & CO as membership certificate issued by ICMAI is a private document and is not available in public forum.

The firm N D BIRLA & CO can only use certificate if provided by respondent. (Certificate as annexed)

Also even after knowing the fact that the firm N D BIRLA & CO has used his name as assistant under employment in Coal India tender, he has not filed any FIR in local police for fraud done by M/s N D Birla & Co. NOR the respondent has filed any complaint with ICMAI OR COAL INDIA SUBSIDIARY COMPANY M/S

NORTHERN COAL FIELDS LTD. NO BONAFIDE ACTION HAS BEEN TAKEN BY RESPONDENT.

On the basis of declaration by firm M/s N D BIRLA & CO stating the respondent as their employee, the firm has secured points in ranking as per tender and secured cost audit as a consequence.

It clearly proves:
The respondent has clearly given wrong declaration at the time of filing his forms for renewal of his Certificate of Practice.

The respondent being paid assistant of M/s N D Birla & Co. should have been receiving remuneration in the form of salary/wages/commission/part of fees from Cost audit from the firm M/s N D Birla & Co.

Also the respondent has not surrendered his Certificate of Practice and joined as Assistant in the firm M/s N D Birla & Co. from 01.04.2017.

It is very much evident that the respondent in criminal conspiracy with M/s N D Birla & Co. has grabbed cost audit tender by showing fake fraudulent documents and undertaking of showing fake assistants who are not in the firm of M/s N D BIRLA & CO. and defrauded Govt. PSU M/s Northern Coalfields Ltd.

Point No. 2:
Furthermore, the complainant, being neither an auditor nor an aggrieved party, lacks the standing to file this complaint.
Reply:
My Proprietorship firm is one of the bidders in the said tender and possesses locus standi as affected party by fraudulent documents uploaded by M/s ND BIRLA & CO and gaining monetary benefit by grabbing work order based on fraudulent documents. (Sr No 29 of bidders list as attached-Annexure 2)

All other allegations remain same as per original complaint.

8(5) of the said Rules was issued to the complainant, calling upon him to furnish, the documents relied upon in support of the allegation of the Respondent's full-time employment with the said firm, including any appointment or employment letter within 07 days of receipt thereof. In response, the Complainant submitted a one-page reply, vide an undated letter. Sub: Reply to your letter dated 06.08.2025

Dear sir
I am shocked on receipt of your letter seeking employment letter issued by Firm to respondent.

I request Director Discipline to strictly adhere to precedents and intereprete the word associated as under employment as done in case NO. Com/21-CA(108)/2022 & Com/21-CA(109)/2022 without any employment letter issued by respondent firm in case NO. Com/21-CA(108)/2022 & Com/21-CA(109)/2022.

Also Director Discipline is well aware that if a Cost accountant is in practice he cannot take employment simultaneously.

Also Director discipline as done in case NO. Com/21-CA(108)/2022 & Com/21-CA(109)/2022,should investigate the matter by writing letters to Coal India subsidiary as well as the the firm and confirm whether the respondent was employee of firm or not. If this is not done by Director Discipline it will deviate the principles of natural justice and law of precedents set fourth & investigation methodology as done in case no 108 and 109 by Director Discipline office.

I request Director Discipline to give me justice as given to complainant in case NO. Com/21-CA(108)/2022 & Com/21-CA(109)/2022and form opinion of guilty and

Accordingly, the understanding between the parties was for a professional consultancy arrangement on mutually agreed terms and conditions, and not for any regular employment or salaried engagement with the said firm. 	evidence of the acceptance/acknowledgement thereof.	

The Respondent and the firm (M/s N.D. Birla & Co.) have consistently stated that CMA Sharukkhan Kureshi was not an employee of the Firm but was associated on an assignment/project basis. Accordingly, his non-employment with the Firm during the relevant period remains an undisputed fact on record.

8. **Comments and Findings of the Disciplinary Directorate**

a) Upon examination of the Information, the Respondent's written statement in defence and the material available on record, the issue for consideration is whether the Respondent, while holding a Certificate of Practice and practising as proprietor of M/s Sharukkhan Kureshi & Co., was simultaneously in full-time employment of M/s N.D. Birla & Co.

b) The Respondent has categorically denied the existence of an employer–employee relationship with the said firm. He has explained that his association was strictly on a case to case basis.

c) The complainant has not furnished the supporting documents sought by the Directorate to substantiate the allegation of full-time employment. Further, the material otherwise available on record is insufficient to establish that the Respondent was in full-time employment of the said firm during the relevant period.

d) In this context, reference has been made to the findings/orders of the Disciplinary Committee in Complaint Nos. Com/21-CA(108)/2022 and Com/21-CA(109)/2022 concerning the inclusion of associated professionals in tender documents for the empanelment and selection of Cost Auditors of South Eastern Coalfields Limited and Coal India Limited. The reasoning relied upon in those matters recognises that, in the absence of a definition of the term "associate" in the applicable tender conditions or contemporaneous Institute guidelines governing such categorisation, professional association could not necessarily be equated with full-time employment of firm/bidder. An acknowledged association on a retainer, assignment-to-assignment or similar basis could, depending upon the applicable tender conditions, fall within the description of an

associate.

e) A perusal of the complaint indicates that the present matter relates to the empanelment and selection of Cost Auditors for Northern Coalfields Limited for the year 2022–23 to 2024-25. It is observed that the standard tender documents adopted by Northern Coalfields Limited and its co-subsidiaries did not, at the relevant time, define the term "associate". Further, the Institute's Guidelines for Members on Use of Firm Name and Submission of Tender Documents dated 27th February, 2025 were not in force during the relevant period. Accordingly, the requirements subsequently introduced by those Guidelines cannot, by themselves, form the basis for establishing misconduct in respect of an earlier representation. Such representation must be examined with reference to the provisions and tender conditions applicable at the relevant time.

f) To the extent that the material facts and applicable tender conditions are comparable, the reasoning in the aforesaid decisions is relevant to the present matter. It supports the view that the description "associate" does not, by itself, conclusively establish the nature of the underlying professional relationship and may encompass a person engaged on a retainer, assignment-to-assignment or similar basis. Consequently, the disclosure of a professional association in tender documents cannot, without further supporting evidence, be treated as proof of an employer–employee relationship.

g) Accordingly, the inclusion of the Respondent's name in the bid documents submitted by M/s N.D. Birla & Co. in the absence of cogent evidence demonstrating the nature and terms of the alleged employment is insufficient to establish that the respondent was full-time employee of said firm. The material available on record does not provide a sufficient basis to reject the Respondent's explanation that his association was limited to providing professional assistance on case-to-case basis.

h) In view of the above facts and circumstances, it is found that the material available on record does not establish that the Respondent was simultaneously in full-time employment with M/s N.D. Birla & Co. while holding a Certificate of Practice and practising as a Cost Accountant. Accordingly, the allegation of simultaneous full-time employment is not substantiated.

9. **Findings and Order of the Board of Discipline**

a) The Board of Discipline has carefully considered the complaint, written statement of the

Respondent, comments of the Director (Discipline), documents and other material available on record, and the provisions of the Cost Accountants Act, 1959 and the Rules framed there under and observes that the Respondent has denied being in full-time employment of M/s N.D. Birla & Co. and has stated that his association with the said firm was on assignment to assignment basis. The informant has also failed to submit any supporting documents to substantiate the allegation of full-time employment.

b) The Board further notes the reasoning relied upon in the findings/orders of the Disciplinary Committee in Complaint Nos. Com/21-CA(108)/2022 and Com/21-CA(109)/2022, namely that, in the absence of an express definition in the applicable tender documents or specific Institute guidelines then in force, the term "associate" was not necessarily confined to a full-time employee and could encompass a professional associated on a retainer, case to case or similar basis.

c) Upon an independent assessment of the record, the Board agrees with the findings of the Director (Discipline) that the mere inclusion of the Respondent's name as a "qualified assistant" in the firm's tender documents does not, by itself, conclusive evidence of full-time employment or establish an employer–employee relationship with the bidding firm. The nature of the association must be determined from the substance of the arrangement and the evidence considered as a whole. In the present matter, no cogent material concerning employment terms, payment of salary, payroll status or other relevant circumstances has been brought on record sufficient to substantiate the alleged employer–employee relationship.

d) Accordingly, the Board finds that the material available on record does not establish a prima facie case of professional or other misconduct against the Respondent in respect of the allegation of simultaneous full-time employment while continuing in practice. The Board, therefore, agrees with the opinion of the Director (Discipline) that allegation against the Respondent is not substantiated by the material available on record. This conclusion rests on an assessment of the available evidence and not merely on the Informant's failure to furnish further documents.

e) Consequently, in exercise of powers conferred under section 21A(4) of the Cost Accountants Act, 1959, read with Rule 9(3)(a) of the Cost and Works Accountants (Procedure of Investigations of Professional and Other Misconduct and Conduct of Cases) Rules, 2007, the Board hereby orders that the proceedings against CMA

Sharukhkhan Kureshi (M/39351) be dropped, and the case stands closed.

f) The complaint is, therefore, disposed of accordingly.
